

### **Hotchkiss Preserve Directions**

Directions: From Rochester, take I-490 south to Route 31, then go east on Route 31 as if going to Zurich Bog. However, continue past the town of Newark to the village of Lyons. In Lyons, take Route 14 North over the River, and turn right onto Canal Street. Go past the village park to the village limit sign. Our property extends along the left side of the road for about 1/10 mile past the village limit and is marked with our sign.
